Ahmed Emad

Junior Frontend Developer | HTML | CSS | JavaScript | React.js
Cairo, Egypt

Summary

Hello! I'm a dedicated Junior Frontend Developer specializing in HTML, CSS, JavaScript, and the React.js framework. Armed with a Bachelor's degree in Engineering from Ain Shams University, I've fused academic knowledge with practical experience to establish a solid foundation in web development principles.

My journey in web development was further enriched by my tenure at Almdrasa, where I acquired essential skills including HTML, CSS, JavaScript, React Framework, Responsive Web Design, and Version Control (Git). Moreover, I honed my problem-solving abilities, critical thinking, and cultivated a collaborative approach to teamwork.

With a passion for crafting dynamic and user-friendly web interfaces, I am committed to delivering innovative solutions that meet the evolving needs of users and clients alike. I thrive in fast-paced environments, leveraging my technical expertise and keen attention to detail to drive project success.

Let's connect and explore opportunities to collaborate on exciting projects that push the boundaries of frontend development!

Experience

Almdrasa

Trainee

April 2024 - Present (5 months)

London, United Kingdom

I am currently enrolled in a comprehensive Frontend Development Diploma program at Almdrasa, aiming to become a professional Frontend Developer within six months. This intensive training covers a broad range of essential skills and technologies, including:

- Python programming
- HTML, CSS, and JavaScript
- Responsive web design
- React framework
- Version control with Git and GitHub
- UI/UX design principles
- Web performance optimization

Throughout the program, I work on real-world projects, collaborate with peers, and receive guidance from experienced mentors. This hands-on approach gives me the practical experience and technical skills needed to excel in web development. I am excited to use this training to contribute to innovative web projects and enhance user experiences.

Education

Ain Shams University

Bachelor of Science - BS, Mechanical Engineering · (September 2018 - July 2023)
